

CERTIFICATE OF COMPLIANCE

Products carrying the 'Green By Nature™ 'Build with Conscience' Certificate of Compliance meet a comprehensive set of Controlled Wood, Chain of Custody, Life Cycle Impact and Due Care Standards, Policies and Procedures that support environmental sustainability initiatives as follows....

All Iron Woods® products have been verified of legal origin and verified of legal compliance as being, legally harvested, transported, exported, imported and documented in compliance with all country of origin, international and domestic laws, rules, regulations and treaties pertaining to the fair and legal trade of forest products including but not limited to the ITTA (International Tropical Timber Trade Agreement), CITES (Convention On The International Trade of Endangered Species) U.S. Department of Agriculture Lacey Act, U.S. Foreign Corrupt Practices Act, U.S. Forced Labor Laws and U.S. Buy American Act.

All Iron Woods® products are derived from forests which are naturally occurring, renewable and sustainable and are not harvested from forests or forest plantations where traditional, civil or intellectual property rights have been violated, forests having high conservation values which are threatened, forests that have been genetically modified or forests which have been converted to non-forest use. Iron Woods® are sourced with a preference to those forestry operations implementing LIL (Low Impact Logging) techniques and sustainable forest management practices.

All Iron Woods® products are 100% organic and grown without the use of chemical fertilization and are regenerated naturally or by seeding and replanting. All Iron Woods are either kiln dried or fumigated and are free from invasive insect, plant or animal species. The natural service life of Iron Woods®, exceed their natural growth cycle, trap and store carbon and are able to be reclaimed, reused or down-cycled. Iron Woods® are 100% bio-degradable and do not require for service any petroleum based or inorganic chemical treatments adhesives or coatings. Iron Woods® do not require for service any specialized handling storage or disposal procedures and generate zero post-industrial or post-consumer non-biodegradable waste. Iron Woods® are also safe for human and animal contact, meet Low VOC emission standards and meet International Building Code, International Residential Code and Cal Fire Wildlife Urban Interface Code requirements for naturally durable wood.

"Timber Holdings Green By Nature is an impressive supply chain traceability program. By requiring all international suppliers to pass a rigorous risk assessment, the program fills in the gaps where forest certification is lacking. A model program for the industry, Timber Holdings demonstrates leadership in promoting responsible forest management."

Evan Brunner –Rain Forest Alliance

This Certificate of Compliance is a continuing, irrevocable representation and warranty, and may continue to be relied upon by our customers for each purchase of goods or services unless timely prior written notice is given to our customers that the goods Timber Holdings USA proposes to sell to our customers do not meet Green By Nature Compliance requirements. Such notice shall not be deemed to revoke or modify Certificates of Compliance previously provided by Timber Holdings USA.
