

## Certificate of Compliance “Lacey Act” Provisions

Tiger Deck, LLC acknowledges that some of the products we provide are imported from outside the United States and as such are subject to compliance with the Lacey Act. And US Department of Agriculture Plant and plant Product Declaration requirements.

Tiger Deck, LLC hereby represents and warrants to and for Tiger Deck customers that,

- Tiger Deck has reviewed and understands the Lacey Act requirements.
- The imported materials sold by Tiger Deck have been imported in compliance with the Lacey Act and US Department of Agriculture regulations related to the importation of “any wild member of the plant kingdom, including roots, seeds, part, or products thereof, and including trees from either natural or planted forest stands”.
- Tiger Deck will provide any further verification or assurance of compliance with this paragraph as may be reasonably requested by the US Department of Agriculture.

This certificate is a continuing, irrevocable representation and warranty of compliance with the Lacey Act requirements and may continue to be relied upon by its customers for each purchase of goods unless prior written notice is given to our customers that the goods Tiger Deck proposes to sell do not meet the Lacey Act requirements. Such notice shall not be deemed to revoke or modify previously issued Certificates issued by Tiger Deck.
